Tyndale | Appointments with Heaven
Appointments with Heaven by Reggie Anderson, Jennifer Schuchmann is an interesting book, but not for children or the immature. A lot of his experiences aren't paralleled in the Bible, which makes me wary of accepting his experiences. This book has a lot of hinting to future events in the author's life, but you still have to wait for the event to show up in his story to know what he meant.

Appointments with Heaven: The True Story of a Country ...

Appointments with Heaven is an account of the author's relationship with a Supreme Being, for whom I have been searching during most of my adult life, so it was a must for me to read. An unwilling atheist, after reading Dr. Reggie's story I found that my values were not a million miles from his.
