Human Resource Management Introduction - Tutorials Point

Human Resource Management (HRM) is an operation in companies designed to maximize employee performance in order to meet the employer's strategic goals and

objectives. More precisely, HRM focuses on management of people within companies, emphasizing on policies and systems. In short, HRM is the

Human Resource Management - Mission and Objectives

Aim of that course is to introduce students to the context, theory and practice of human resource management and to develop a critical orientation toward the subject matter and an awareness of the complexity of managing people.
