English / Graduation Project - Iredell-Statesville

The NC Graduation Project is a performance-based assessment that allows for meaningful student engagement with teachers, parents, and community members who assist students in expanding their education beyond the classroom walls by helping them to move beyond the discovery of basic facts and to engaging in critical thinking/problem-solving.

Graduation Project / What is a Graduation Project?

The purpose of the graduation project is to provide students with an opportunity to engage in an activity that will allow them to demonstrate their ability to apply the knowledge and skills they have gained throughout their years in the educational system. The project is designed to ensure that students are able to apply, analyze, synthesize, and evaluate information and to communicate.
