The undeclared mind was a very solid nonfictional account of Dr. Lickerman's exploration into use of his belief in Nichiren Buddhism while dealing with a select few patients. I selected this book based on the it's title and learning about the personal strength needed to overcome

some of my own character issues such as procrastination, integrity and strong work ethics. Likerman was able to

**The Undefeated Mind: On the Science of Constructing an ...**

An undefeated mind is not a passive mind that is sometimes associated with Buddhism. It is a mind that never gives up the search for solutions to life's inevitable obstacles. It is a mind that knows that peace and happiness are attainable even in the midst of hardships, such as rejection, illness, and loss. It is a mind that treats adversity as an opportunity for growth.
